

ALL PURPOSE CLEANERS

Apollo

- A clinging, ready -to-use all purpose cleaner
- Great on grease, smudges, pencil and pen marks, finger prints and crayons, lipstick and graffiti
- Works well on painted surfaces
- Economical. USDA approved

Sizes: 5g, 1g, Qt12

Leo

- Non-Alkaline, neutral cleaner that will not harm floor finish.
- Will remove dirt, grease, heel marks, ice compound or any general soiling. Contains optical brighteners
- USDA approved.

Sizes: 55g, 15g, 5g, 4x1g

Leo D7

- Quaternary disinfectant cleaner
- Great for hospitals, nursing homes or schools
- EPA registered and USDA approved.

Sizes: 55g, 15g, 5g, 4x1g

Touchdown

- Fast acting highly dilutable, general purpose
- Great for cleaning tile floors, wood work, walls, and counter tops.
- USDA approved.

Sizes: 55g, 15g, 5g, 1g

Done EZR

- Our most effective all purpose cleaner, top of the line
- Safe cleaner for all surfaces
- Can clean your hands yet so effective that you can degrease your engine.

Sizes: 55g, 5g, Qt12

Space Spray RTU

- An All purpose alkaline cleaner
- Fresh orange fragrance
- Economical

Sizes: Qt12

Glass Cleaners

Saturn

- Ready-to-use glass and hard surface cleaner.
- Compounded with distilled water so no impurities to leave streaks, smudges or film on surfaces.
- USDA approved.

Sizes: 55g, 15g, 5g, 1g, Qt12

Saturn II

- Foaming, film free glass cleaner
- Just spray and wipe
- Great for service stations, auto body shops, car washes, glass and mirror shops, offices, hospitals, motels, restaurants
- USDA approved

Sizes: 12Qt

Star Glass Cleaner

- Economical ready to use

Sizes: 12Qt

Lazer

- Concentrated glass and hard surface cleaner
- 10:1 dilutable

Sizes: 12Qt

WELL SOAP

Well Soap I

- Light Duty production soap.

Sizes: 55g, 5g

Well Soap II

- Excellent brine water production soap.
- Product is not affected by high levels of sodium and calcium ions.

Sizes: 55g, 5g

Well III

- Works on wells with both brine, water and oil.
- More detergent and foaming agents for extra production from your wells.

Sizes: 55g, 5g

Well IV

- High detergent production soap. Makes short work of those tough wells that need the ultimate production soap.
- Yields the maximum production from your wells.
- Works on wells with brine, oil and water.

Sizes: 55g, 5g

INDUSTRIAL CLEANERS & DEGREASERS

Atlantis

- A foaming cleaner degreaser that clings to vertical surfaces.
- Highly dilutable and compounded so that alkalinity is maintained.
- Excellent as a truck wash. USDA approved

Sizes: 55g, 15,5g, 4x1g,

Commander

- Heavy duty cleaner and degreaser for tough jobs.
- Can be used in mop water or automatic scrubbing machine.

Sizes: 55g, 15g, 5g, 4x1g

Star-Solv

- A citrus based product that is completely biodegradable and environmentally safe.
- This d-limonene solvent is great for removing grease, oil and other heavy stains from hard or soft surfaces.
- USDA approved

Sizes: 55g, 5g, 4x1g

Star-Solv 100

- Orange powered solvent degreaser.
- 100% active

Sizes: 55g, 15g, 5, 4x1g

Mars NB (Non Butyl)

- Extremely heavy duty non butyl cleaner.
- Designed for use in a steam cleaner or by itself.

Sizes: 55g, 15g, 5g, 4x1g

Space Train

- Polished aluminum cleaner specifically formulated for the mass transit industry.
- An unusually effective cleaner, deoxidizer and stain remover. Butyl based cleaner
- Removes corrosion carbon buildup, grease, oil, animal waste, and brake dust without harming the aluminum.

Sizes: 55g, 15g, 5g, 4x1

Pictor

- Defoamer.
- Removes foam from any aqueous system with long term durability in eliminating and preventing foam accumulation.

Sizes: 55g, 5g, 4x1g,

Max Force

- Industrial water dilutable cleaner/degreaser. Biodegradable and Phosphate-free
- Highly concentrated to allow for maximum dilution.
- Manufactured specifically for the removal of grease, oils, hydraulic fluid and carbon

Sizes: 55g, 15g, 5, 4x1g

Full Force

- Concentrated non butyl mildly alkaline cleaner and degreaser
- Dissolves dust, engine oil, grease, hydraulic oil, road salt, carbon deposits from engine exhaust, bugs and air pollutants.

Sizes: 55g, 15g, 5, 4x1g

Gel Force

- Cleaner, detergent, degreaser of vertical surfaces.
- High performance detergent with viscosity boosters, allowing longer contact time.
- Effective on emulsifying grease, oil and grime.

Sizes: 55g, 15g, 5, 4x1g

Mega Muscle

- Strong yet strong degreaser. It contains no HAP's CFC's or butyl and is non-corrosive.
- Dissolves hydrocarbon build up, carbon exhaust deposits, organic soils and road salt.
- Designed for use in emulsifying grease and oils, motor oil, axle grease, lithium grease, machine tool industrial lubricants, hydraulic, brake and power steering fluids
- Meets strict new requirements for environmentally preferred product

Sizes: 55g, 15g, 5, 4x1g

Multi Force

- Concentrated detergent based cleaner
- Safe and non-corrosive, and contains no CFC's HAP's or glycol ethers.
- Rinses, it separates into the oil and water phases.
- Beneficial to all water treatment systems and the environment

Sizes: 55g, 15g, 5, 4x1g

Star Stripper, cleaner, degreaser

- Cleans virtually any surface and also strips floors
- non-ammoniated, concentrated floor stripper, cleaner and degreaser in one application.

Sizes: 55g, 15g, 5, 4x1g

Spray Coil

- Industrial evaporator condenser foam cleaner.
- Removes dust, debris, organic matter, scale, rust.
- Excellent for fin fan cooling and heating equipment.
- Use on aluminum, stainless steel, brass and copper.

Sizes: 55g, 15g, 5, 4x1g

ODOR CONTROL PRODUCTS

UR in Control

- Spray directly on to surfaces where odors are a problem. Complete odor neutralization occurs immediately.
- Uses at Hospitals, Nursing facilities, personal care homes, restaurants and offices.
- Remove odors especially around urinals and toilets to eliminate urine odors.
- Destroy foul odors around dumpsters and garbage cans.
- Cleans carpets and upholstery, loading docks and recreational vehicles.
- Contains Bactocapulations

Sizes: 5 gal, 1 gal, Qt.12

Chamaeleon

- All purpose, odor controller and waste degrader
- Liquefies, digests and deodorizes through a bio/enzymatic action;
- Great on urine odors, pet odors, mildew and mold
- Can be used in drain lines, grease traps and septic tanks
- USDA Approved

Sizes: 55g, 5 g, 4x1 g, Qt 12

AI-8001

- Cherry scented odor controller.
- Surfactant

Sizes: 55 g, 15 g

Odor Skat

- Powerful Odor-counteractant that takes away strong odors from industrial, commercial, medical and municipal waste.
- Granular product that contains Metazene® that tackles odor quickly and effectively.
- For use in trash containers, garbage dumpsters and compactors.
- Excellent

Sizes: 55g, 15g, 5, 4x1g

SPECIALTY PRODUCTS

Die Cleaner with Silicone

- Clean your dies in industries presses so the press will release the product.

Sizes: 4x1 g

Drain Line Antifreeze

- Antifreeze

Sizes: 55 g

Hole Shot

- Deodorizer for portable toilets
- Use at 6 oz. per gallon

Sizes: 55 g

PPC-91 Ink Cleaner

- News print ink remover
- Lower cost, highly dilutable.

Sizes: 55 g, 5g

New Tap

- Keeps beer taps cleaner and fresher smelling, with a good foaming head.

Sizes: 55g, 5, 4x1g

Omega 6235

- Anti-stick compound designed for the asphalt industry & snow equipment.

Sizes: 55 g

PPC-61 Green Print Press Cleaner

- Highly concentrated print press cleaner
- User friendly, contains no glycols, caustic or petroleum distillates.
- Environmentally friendly

Sizes: 55 g, 5g

Super Sonic

- Economical Ultrasonic cleaner of carbide, steel, titanium, etc.
- For all brands of ultra sonic cleaners

Sizes: 55 g, 5 g

XLf Turntable Cleaner

- Extremely low foam cleaner.
- A degreaser for use in aqueous spray wash turntable cleaner.

Sizes: 55 g, 5g

XXX Mold Cleaner

- A mold cleaner that is fast and easy

Sizes: 55 g, 5 g

TRUCK & AUTOMOBILE PRODUCTS

Acid Aluminum

- For aluminum truck beds

Sizes: 5g, 4x1g

Aluminum HF

- Most powerful aluminum cleaner and brightener
- Not for use on polished or anodized surfaces.

Sizes: 55g, 15g, 5g, 4x1g

Glossy Stuf

- High grade interior vinyl and leather dressing
- This product will leave a long lasting shine on dashboards, leather seats, seatbelts, etc and will last several detergent cleaning.
- Special ingredients enable Glossy Stuf to leave a superior high gloss shine with leaving a greasy finish that collects dust.

Sizes: 4x1g, 12QT.

Mag Wheel Stuf

- Removes brake dust while brightening alloy, chrome and aluminum wheels.
- Ideal for automatic car and truck washes, car dealerships, boat marinas and taxi cab fleets.

Sizes: 15g, 4x1g

Pre Soak Stuf

- The first step in an automatic car wash. Removes heavy build up of road grime before the wash cycle
- Spray on vehicle before washing and Pre Soak Stuf begins to break down the road grime immediately.

Sizes: 55g, 5g

Purple Stuf

- Concentrated, engine shampoo and degreaser. Good for cleaning and stripping
- Used on engines, door jams, white walls, floors and interiors in both the automotive and marine industries.
- 100% Biodegradable

Sizes: 55g, 15g, 5g, 4x1g, 12QT

Rinse Stuf

- Ultimate drying agent that takes off excess water and allows the vehicle to drum quickly
- Spot free in an automatic car wash

Sizes: 55g, 5g

Shine Stuf

- Silicone based tire dressing.
- Excellent detergent resistance.
- Great to use on tires, dashboards, leather seats, belts, hoses and plastic rubber.

Sizes: 5g, 4x1g, 12QT

Suds Stuf

- An economical, high sudsing car wash soap that foams and neutralizes presoaks.
- Will not harm waxed surfaces and is great in pressure washes or spray car washes.
- Excellent hand wash soap used in car dealerships and detail shops.

Sizes: 55g, 5g, 4x1g, 12Qt.

Space Train

- Polished aluminum cleaner specifically formulated for the mass transit industry.
- An unusually effective cleaner, deoxidizer and stain remover. Butyl based cleaner
- Removes corrosion carbon buildup, grease, oil, animal waste, and brake dust without harming the aluminum.

Sizes: 55g, 15g, 5g, 4x1

Transit Stuf

- Excellent transit system cleaner that has passed all paint and decal tests with 3M and DuPont.
- Removes heavy road grime and film from the surfaces without hurting the clear coat paint or waxed finish.
- Good for use in pressure washers.

Sizes: 55g, 5g

Wash Stuf

- Concentrated car wash soap that contains brighteners and rising agents.
- High dilution ratios make it very economical for automatic car washes.
- 600 cars per gallon

Sizes: 55g, 5g, 4x1

Wash N Wax Stuf

- Automatic car wash spray wash and wax.
- 1000 cars per gallon. Film Free

Sizes: 55g, 5g

AIRCRAFT /ALUMINUM CLEANERS

1084-93-6

- Air Force Exterior Type 1 QPL. Alkaline water based cleaner.
- Solvent -free. MIL-PRF-8793-7D

Sizes: 55g, 15g, 5g, 4x1g

1084-93-7

- Air Force Exterior Type II.
- Exterior Plane Cleaner
- MIL-PRF-87937-D

Sizes: 55g, 15g, 5g 4xg

8493-1

- Air Craft cleaner. Terpene based, solvent emulsion
- MIL-PRF-87937-D

Sizes: 55g, 5g

8493-2

- Air Force Exterior Type II QPL
- Water Dilutable Cleaner. Solvent Free.
- MIL-PRF-87937-D

Sizes: 55g, 15g, 5g, 4x1g

8493-3

- Air Force Type III Gel
- MIL-PRF-87937D Type III

Sizes: 55g, 15g, 5g, 4x1g

8493-4

- Air Force Type IV.
- Heavy duty. Water dilutable, cleaning compound.
- MIL-PRF-87937-D

Sizes: 55g, 15g, 5g, 4x1g

CG-6040

- Entire Plane Cleaner
- Cost Guard Exterior.
- MIL-PRF-85570-D

Sizes: 55g, 15g, 5g, 4x1g

1080-93-1C

- Environmentally Prepared Product
- Navy Type II QPL
- General Purpose, Non-Solvent
- MIL-PRF-85570-D

Sizes: 15g, 5g

1080-93-2

- Navy Type I QPL
- Exterior Plane Cleaner
- General Purpose Aromatic Solvent Cleaner.
- MIL-PRF-85570D

Sizes: 55g, 15g, 5g, 4x1g

AI-1099-1

- Navy Type V
- A thick gel that holds while it works
- MIL-PRF-85570D

Sizes: 55g, 5g

AI-91365-1

- Optical Lens cleaner Type 1
- No streak glass cleaner
- MIL-C-43454C

Sizes: 12qt.

AI-91365-2

- Optical Lens Cleaner Type 11

Sizes: 12qt

BATHROOM AND BOWL CLEANERS

Pluto

- A cream cleanser and metal polish, that scours and cleans in one easy process.
- Will bleach out most stubborn stains.
- Contains no acids or hard alkaline material that will harm surface or individual.

Sizes: Qt 12

Solar

- Clinging bowl, tile and porcelain cleaner
- Fresh Scent

Sizes: Qt 12

Rocket

- Mild, 8% hydrochloric acid bowl cleaner, that cleans, disinfects and deodorizes the bathroom area.
- Has a pleasant cherry scent
- Excellent for removal of hard water stains and problem areas
- EPA and USDA approved.

Sizes: Qt 12

Eclipse

- Concentrated tile and grout cleaner.
- Easily removes soap scum and film from floors, shower walls and wash sinks.

Sizes: Qt 12

Probe

- Biodegradable non-acid drain opener
- Cuts through tough grease, oil and hair clogs.
- USDA approved

Sizes: Qt 1

Mach I

- 20% hydrochloric, disinfectant, acid bowl cleaner
- Exceptional rust or heavy eater stain cleaner.
- EPA and USPA approved.

Sizes: Qt 12

Mission II NABC

- Non-acid, deodorizing, disinfectant bowl cleaner.
- Spring fresh scent
- EPA and USDA approved

Kills: M.R.S.A, HIV-1, Hepatitis B and C Viruses, V.I.S.A., Fungicidal & Mildew stat

Sizes: Qt 12

Eclipse

- Concentrated shower, soap scum, tile and grout cleaner.
- Removes most stubborn stains and build up found in a bathroom.
- USDA approved.

Sizes: 55g, 15g, 5g, 4x1g

UR in Control

- Removal of urine odor by encapsulates the odor source for immediate neutralization.
- Enzyme action digests the food sources that micro-organisms feed on. Bactocapulation® is a proprietary process which combines the bacillus spore enzyme action with molecular Microencapsulation.
- Does not mask odor, but neutralizes it. Contains a high concentration of non-pathogenic, live bacteria cultures to rapidly degrade organic waste.

Sizes: 12Qt

HAND CARE PRODUCT

Gemini

- Rich white creamy liquid soap
- Sweet fragrance
- Gentle on the skin

Sizes: 55g, 1g

Gemini I

- Heavy duty, liquid, blue, pearlescent hand cleaner
- Aloe added for a protective barrier for natural healing and moisturizing
- Great to use in kitchens or bathroom wash areas
- USDA Approved.

Sizes: 55g, 15g, 5g, 1g

Gemini II

- Hand and body pink gel soap
- Almond Scent

Sizes: 55g, 15g, 5g, 1g

Gemini III

- Antiseptic, germicidal, sanitizing hand soap
- Reduce the bacterial flora of the skin
- Great for the meat and poultry food processing industry and medical offices
- EPA and USDA Approved.

Sizes 1g

Star Antibacterial

- Heavy duty hand soap
- Surfactants, emulsifiers and skin conditioners makes this a premium grade hand cleaner

Sizes: 1g

Star Economy Hand Soap

- Industrial strength hand cleaner that is soft on the skin
- Guards against dryness and chapping

Sizes: 55g, 15g, 5g, 1g

CARPET CLEANER AND DUST TREATMENT

Carpet Spot Remover

- Bleach free carpet spotter
- Does not harm carpet
- Great for protein stains.
- Can be used as a pre-treat(traffic lanes)

Sizes: 4x1g, Qt 12

Pictor

- Defoamer.
- Removes foam from any aqueous system with long term durability in eliminating and preventing foam accumulation.

Sizes: 55g, 5g, 4x1g,

Jupiter

- Concentrated
- Low foaming extraction carpet cleaner
- Used with hot or cold water
- Optical brighteners will enhance carpet fibers and restore original color.
- Great for use in bonnet cleaning

Sizes: 55g, 5g, 4x1g

DESCALERS AND NEUTRALIZER

Free Flo 34

- Fastest, safest biodegradable, non-toxic scale removing solvent for industrial and institutional applications
- Use in all water cooled or heated equipment
- Does not contain creosote or other petroleum by-products
- Clean fresh scent
- Safe on plastic, copper, iron, rubber, lead, and steel
- Spent solution is safe for drain disposal

Sizes: Tote, 55g, 15g, 5g, 4x1g

Nutrol

- Biodegradable, non-toxic, phosphate free neutralizing conditioning solution to be used following descaling procedures.
- Should be used in conjunction with Free Flo 34
- Neutralizes residual Free Flo 34 and conditions metal surface to reduce accumulation of a scale.
- Also aids in the removal of salts and other contaminants that are insoluble in the acidic descaler.
- Corrosion inhibiting and safe on all types of metals
- Can also be used to remove oil contamination or other hydrocarbons prior to descaling procedures

Sizes: Tote, 55g, 15g, 5g,

Precision Descaler

- Phosphoric acid based cleaner
- Does not contain sulfuric, hydrochloric or hydrofluoric acid.
- Does not produce harsh or harmful vapors
- Works at ambient temperatures to remove calcium carbonate, iron, magnesium, silicates and organic matter from water circulation and heat transfer equipment.
- Non-corrosive formulation is safe on plastic, copper, iron, rubber, aluminum, stainless steel, lead, and steel.

Sizes: Tote, 55g, 5g

Baux Sol

- Biodegradable non-toxic scale removing solvent for industrial and institutional applications
- Formulated to remove scale build up derived from producing aluminum from bauxite
- Spent solution is safe for drain disposal.

Sizes: Tote, 55g, 5g

DISINFECTANTS (SPECIALTY)

AC's DQ's

- A cleaner, disinfectant, sanitizer, mildew stat and virucide.
- It is a phosphate free sanitizer where preventing bacterial, fungal and viral contamination is important.
- Great for medical facilities, food service, housekeeping, and schools.
- EPA registered and USDA approved.

Kills: M.I.S.A, V.I.S.A, HIV-1, Hepatitis B & C, Herpes Type 1 and 2, Athlete's Foot Fungus, Salmonella choleraesuis, Influenza A2/Japan, NORWALK and many others.

Sizes: 55g, 15g, 5g, 4x1g

Earthpine

- A clinging disinfectant that will leave surface clean, degreased and sanitized.
- Kills bacteria & fungus
- Fresh pine scent
- EPA registered and USDA approved.

Kills: Staphylococcus aureus, Salmonella choleraesuis, Pseudomonas aeruginosa, fungus, Tricophyton Mentagrophytes.

Sizes: 55g, 15g, 5g, 4x1g

Star Germicidal Disinfectant

- A cleaner and disinfectant that will also deodorize.
- Leaves a clean fresh smell
- Great for areas that are easily cross-contaminated.
- Effective against Herpes I and II

Kills: Flesh Eating strain BIRD M3 Streptococcus aureus (VISA), HIV 1, HIV 2, Hepatitis B Virus and Hepatitis C Virus.

Sizes: 55g, 15g, 5g, 4x1g

Mission I

- High concentrated dual quaternary disinfectant cleaner
- High Kill factor
- ½ oz to a gallon of water dilution ratio is specified for cleaning and disinfecting operating rooms
- Great for hospitals (Odorless)
- EPA and USDA approved

Kills: Herpes Simplex Type 1 (causative agent of fever blisters), Herpes Simplex Type 2 (genital disease, HIV Type 1, Escherichia Coli and Salmonella.

Sizes: 55g, 15g, 5g, 4x1g

Mission II

- Concentrated non-acid disinfectant, deodorizing, detergent cleaner
- Economical means of cleaning high volume areas.
- Spring fresh scent
- EPA registered and USDA approved

Kills: Escherichia coli, M.I.R.A., V.I.S.A., Staphylococcus aureus, HIV – Type 1, Hepatitis B , and Hepatitis C Virus.

Sizes: 55g, 15g, 5g, 4x1g

Taurus

- Lemon quaternary disinfectant
- Cleans and disinfects everything
- 2 oz. per gallon to use
- EPA and USDA approved

Kills: Staphylococcus aureus, Athlete's Foot Fungus, HIV Type 1, Hepatitis B and Hepatitis C Viruses.

Sizes: 55g, 15g, 5g, 4x1g

Intensive Care

- Fastest M.E.R.S.A. claim.
- Ready to Use
- Lemon, quaternary disinfectant cleaner
- Great on bathroom walls, floors, toilet seats, sinks, water fountains and countertops.
- EPA registered and USDA approved

Kills: Staphylococcus aureus, HIV 1, Hepatitis B Virus, Hepatitis C Virus, and Athlete's Foot Fungus.

Sizes: 12Qt

Leo D7

- Non-alkaline, neutral, disinfectant cleaner for floors with high gloss finish
- Great in hospitals, nursing homes or schools
- EPA registered and USDA approved

Kills: HIV Type 1, HIV Type 2, Hepatitis B Virus, Hepatitis C Virus, Athlete's Foot Fungus and Staphylococcus aureus

Sizes: 55g, 15g, 5g, 4x1g

FIRE FIGHTING FOAM PRODUCTS

AFFF 3-6% Fire Fighting Foam

- Aqueous Film Forming Foam is effective on all types of Class A and Class B fires except alcohols and polar solvent.
- Operates by creating a barrier between the fuel and the air supply, cools the surface of the fuel to reduce overall heating and ignition potential and then allows water droplets to penetrate more deeply and at a higher concentration which “makes the water wetter”
- Use at 3 or 6%.

Sizes: 55g, 5g

AFFF 3-6% AR Fire Fighting Foam

- Alcohol Resistant Aqueous Film Forming Foam is effective on all Class A and Class B fires which includes alcohols and polar solvents.
- Use at 3% on hydrocarbons such as gasoline, diesel fuel and fuel oil
- Use at 6% on polar solvent like methyl alcohol, isopropyl alcohol and acetone.

Sizes: 55g, 5g

Class A 3% Fire Fighting Foam

- Foam is effective on Class A fuels such as paper, wood, cardboard, and tires.
- Water penetrates deeper and at a higher concentration into the fuel surface.
- Reduces the knock down time and prevents re-ignition.
- Applies to forest fires and structural fires.
- Use at 3%.

Sizes: 55g, 5g

Class A 1% Fire Fighting Foam

- Foam is effective on Class A fuels such as paper, wood, cardboard, and tires.
- Water penetrates deeper and at a higher concentration into the fuel surface.
- Reduces the knock down time and prevents re-ignition.
- Applies to forest fires and structural fires.
- Use at .1 to 1.0%.

Sizes: 5g

3% AFFF Military Spec. Fire Fighting Foam

- Aqueous film forming foam is effective on Class B fires. It is a fast acting foam
- Formulated to work on gasoline, diesel fuel and heating oil.
- Concentrated liquid fire extinguishing agent for fresh and sea water. Puts out fires at 3% use ratio.
- Proportion as low as 3%. Type 3

Sizes 55g, 5g

6% AFFF Military Specs. Fight Foam

- Aqueous film forming foam is effective on Class B fires. It is a fast acting foam
- Formulated to work on gasoline, diesel fuel and heating oil.
- Concentrated liquid fire extinguishing agent for fresh and sea water. Puts out fires at 6% use ratio.
- Proportion as low as 6%.

Military specs: MIL-Fi24385 Type 6. Proportion as low as 6%.

Sizes 55g, 5g

FLOOR FINISHES, SEALERS AND STRIPPERS

Ultra Stripper

- Non-ammoniated, non-alkaline stripper
- Quickly melts away floor finishes
- Low odor wax remover.
- Works with all finishes.

Sizes: 55g, 5g, 4x1g

Big Shot

- Concentrated, heavy no rinse floor stripper
- Our most aggressive stripper
- Cuts through layers of styrene-acrylic floor finish polymer
- Contains no abrasives or acids

Sizes: 55g, 5g

Victor – Aerosol

- Foaming base-board cleaner and wax stripper
- Works on ceramic tile
- Penetrates, dissolves, and holds soils and wax so that it can easily be washed away.

Sizes: 12Qt

Revive

- High speed Scrub and Shine, restores and maintains the “wet lock” on finished floors
- Removes embedded soils and repairs scuff & scratches.
- Can be used in used in automatic scrubbers.
- Slip resistant

Sizes: 55g, 15g, 5g, 4x1g

Phoenix

- Our premier floor finisher
- Sealer / Finisher
- One step floor care product. Industrial, durable with a high gloss shine.
- Works with fewer coats which mean less work. 30% solids
- 30% interlock, acrylic latex

Sizes: 55g, 15g, 5g, 4x1

Launch

- Acrylic floor sealer
- Can be used on terrazzo, marble, concrete and all types of tile.

Sizes: 55g, 15g, 5g, 4xg

Columbia

- 22% finish
- Great for high traffic areas
- High gloss shine minimal maintenance
- Light buffing restores luster
- USDA Approved

Sizes: 55g, 15g, 5g, 4x1g

Grip It

- All purpose floor cleaner and degreaser especially designed to leave floors with a slip resistant surface.
- Reduce falls and slips due to slippery or greasy floors
- Use on tiles and cement floors, not to be used on floor finish.

Sizes: 55g, 5g, 4x1g

Recovery

- Rejuvenator and spray buff combination
- Have thermoplastics to repair deep embedded scratches.
- Used for cleaning and shining in heavy traffic areas.
- USDA Approved

Sizes: 55g, 15g, 5g, 4x1g

Star Floor Finish #25

- Industrial strength finish
- Leaves floor with a professional “wet look”
- Great for high traffic areas
- Luster is maintained with high speed buffing of 1,750 – 3,000 R.P.M.'s

Sizes: 55g, 15g, 5g, 4x1g

Granite

- 22% urethane fortified finish that will buff.
- Snapback luster with buffing.

Sizes: 55g, 15g, 5g

Star Stripper

- Non-ammoniated, concentrated floor stripper.
- Removal of wax on floors walls and other and surfaces
- Most economical stripper

Sizes: 55g, 15g, 5g, 4x1g,

Neutral Plus

- High detergent neutral floor cleaner, neutralizer and ice melt remover.
- Contains optical brighteners to enhance the shine to floor finishes.
- Green bio-renewable formulations, using plant based products.
- Low foaming, removes hard water film.
- Floor surface neutralizer/conditioner

Sizes: 55g, 15g, 5g, 4x1g

Millennium Shield

- Finish, Sealer and Wax
- 25% solid finish giving a brilliant shine.
- Remains strong and bright under the harshest conditions.
- Can be maintained with high speed burnishing for maximum gloss.

Sizes: 55g, 15g, 5g,

Concourse

- Concrete Cleaner that is heavy duty, alkaline blend of detergents and emulsifiers to clean concrete and mortar
- Highly dilutable and low foaming.
Aggressive on heavy industrial grease and soils

Sizes: 55g, 15g, 5g

Salt Rinse

- Cleans road salt, anti skid material and all grime that comes with sloppy winter mess off of your floors
- Can also be used on buses and trains to remove salt during the snowy winter months.

Sizes: 12qt, 4x1, 5g, 15g, 55g

Food Service Products

AC's DQ's

- A cleaner, disinfectant, sanitizer, mildew stat and virucide.
- It is a phosphate free sanitizer where preventing bacterial, fungal and viral contamination is important.
- Great for medical facilities, food service, housekeeping, and schools.
- EPA and USDA approved.

Kills: HIV-1, HBV, HCV, Herpes Type 1, Athlete's Foot Fungus, Salmonella choleraesuis, Influenza A2/Japan (common flu virus, and many more human pathogens.

Sizes: 55g, 15g, 5g, 4x1g

Draco

- Non-butyl cleaner and degreaser
- Excellent for removal of animal or vegetable fat, and petroleum based oils.
- Biodegradable, non-phosphate, non-flammable, non-polluting and non-toxic.
- USDA Approved.

Sizes: 55g, 15g, 5g, 4x1g

Lo Temp

- An all purpose degreaser and cleaner
